Villa Real School
together we achieve

Key Stage Curricular Goals – KS5

To continue to build tools to support regulating own behaviours and actions.

To develop an understanding of the roles and responsibilities required for independent living.

To take part in wider work experience and adult community activities.

To take responsibility for their own self care.

To develop confidence in communicating within an adult context, e.g. how/where to get support and expand debate and oracy.

To expand their life and study skills in order to prepare for life beyond school, and fully understand next steps.
