

# Dads that Dig Morning – 10.10.24

Dear male parents, carers & wider male family members,

Following on from last year’s successful lads and dad’s health and well-being morning I would like to invite you to attend another male only **Dads that Dig** morning at Villa Real School to help us prepare the ground for a new sensory path in our Forest School Garden.

The aim of the morning is to work together to dig up, remove and carry away some grass, soil and stonework to create a better footpath for all of the students to access and enjoy the Forest School Garden. The current path is a little over-grown and it needs some attention to be ready for a new path to be installed in 2025.

It would be fantastic if you could help and support us with this project by committing a couple of hours of your time **on Thursday 10<sup>th</sup> October 2024** from **9.45am-12.00pm**. Spades and shovels can be provided, but please feel free to bring your own along with a pair of gloves as this will be **quite heavy manual outdoor groundwork**.

Drinks and refreshments will be provided on the morning and even if you can only commit an hour of your time that would be most helpful and good of you to come into school to help us, but if not don’t worry as there will another one of these **Dads that Dig** days in early 2025.

If you would like to attend, please return the tear-off slip below to your son / daughters Class Teacher and if you have any further questions about the morning, please give myself a call at school on **01207 503651**.

Best wishes,

*DDimmick*

Damien Dimmick

Assistant SENCO

.....

I would like to **attend / not attend** the **Dads that Dig** morning on **Thursday 10<sup>th</sup> October 2024** from 09.45am – 12.00pm.
