

## Early Years Foundation Stage

### Overview

At Villa Real School, the EYFS pupils have a bespoke curriculum set out in their individualised MTPs that plan objectives in each of the learning strands that builds upon their unique starting points, and follows the sequential developmental pathways set out in Development Matters (the non-statutory curriculum guidance for EYFS). In our Early Years classes at Villa Real School, we deliver the curriculum through a themed /topic approach so that learning is cross curricular and covers all areas of the EYFS Curriculum. (Please see EYFS Curriculum overview). The statutory EYFS Framework (Sept 2021) Educational Programmes for Understanding the World, Literacy and Mathematics.

See appendix 1 for bridging objectives from EYFS to KS1.
